It fires 45mm projectiles at nearly twice the rate of the Devastator's typical 45mm round and has a higher accuracy than the Devastator's typical 45mm round. The Sniper Rifle has a Damage value of 63, Weapon Damage, and Magazine Size of 35. The projectile is 45mm, but the round has a relative accuracy of +70%. The Damage value of 63 was calculated with the assumption that the impact damage is 100% of the Damage value. The Damage value was rounded up by 35, because the amount of bullets the Sniper Rifle holds are not 25 (as was mentioned in the description of the Devastator), but only 25-35. According to the Gun
